

# Superdreaming

## Tom Tom Club

Turn on the people  
Turn on the people  
Turn my people on  
Turn my people on

Inside the heart, chocolate pink  
Under the vein, shimmering blue  
Deep in the bone, green with desire  
Inside this breath brand new!

It's all good  
It's all good  
It's all good  
It's all good

Turn on the people  
Turn on the people  
Turn my people on  
Turn my people on

Outside the night, Northern Lights

Beneath the moon, Silver Pearl  
Smoke in the trees, Purple Star  
Out of this crazy world!

High in the sky, Kali Mist  
Down to the roots African Queen  
Beyond the clouds' Swazi Haze  
Shaman in a super dream!

It's all good  
It's all good  
It's all good  
It's all good

Turn on the people  
Turn on the people  
Turn my people on  
Turn my people on
