Fight

When did you
Last look at
At where you are?Did, did you
Ever think
You'd get this far?Obsessor
Low mind
Confessor
DeclinedHave, have you
Realized
Just where you're from?Will the choice
Be, be right
By what you've done?Transgressive
Ingrained
Submissive
EnchainedObsessor
Low mind
Confessor
DeclinedWhat about
The point of
Of no return?Whiling time
On bridges
That, that you burnedObsessor
Low mind
Confessor
DeclinedTransgressive
Ingrained
Submissive
Enchained
