Knuckles

Moose Blood

It wasn't hard to fall for you
You had it all planned out, didn't you?
You turned up late but I would have waited for days for you[Chorus]
That thing you said, "stay beautiful"
Even though that I know that it's second hand
I'd have you say it in the same wayI thought I said I wasn't good at this
I couldn't tell you that I wanted you but I wanted to
It took so long, you made me wait
You had it all planned out, didn't you?[Chorus]I walked you back so you didn't feel alone
I know that you're stuck with him, I know
You've got his name on your arm, his words on your knuckles. So I walked you back so you didn't feel alone[Chorus]
