

I Volunteer

[Collin Raye](#)

You look like your feelin' like the rain won't ever stop
Life has left you standing there one against the odds
From now on you need to know you don't have to stand alone
When the world turns you in circles and the wind
is at your face
And you need somewhere to run to I know the place
If you want someone who's willing to lay down their hearts
Someone to dry your tears I'm here I volunteer
A shoulder, a caring voice to tell you it's okay
Two arms meant to shelter you if ever you're afraid
I've got that and more to spare just say the word and I'll be there
When the world turns you in circles and the
wind is at your face
And you need somewhere to run to I know the place
If you want someone who's willing to lay down their hearts
Someone to dry your tears I'm here I volunteer
If you want someone who's willing to lay down their hearts
From now throughout the years I'm here I volunteer
