

# Mirror

## BarlowGirl

Mirror, mirror on the wall, am I perfect  
'Cause mirror you've always told me, who I am?  
Im finding its not easy to be perfect  
So sorry, you wont define me  
Sorry, you dont own me Who are you to tell me  
That I'm less than what I should be oh  
Who are you? Who are you?  
Yeah, yeah  
I dont need to listen to the list of things I should do  
I wont try, no I wont try Mirror I am seeing a new reflection  
Im looking into the eyes  
Of He who made me and to Him  
I have beauty beyond compare  
I know He defines me  
Yeah, yeah Who are you to tell me  
That Im less than what I should be?  
Who are you? Who are you?  
Yeah, yeah  
I dont need to listen to the list of things I should do  
I wont try, no I wont try You don't define me  
(No you don't define me)  
You don't define me  
(No you don't define me)  
You don't define me  
(No you don't define me)  
You don't define me Who are you to tell me  
That Im less than what I should be?  
Who are you? Who are you?  
Yeah, yeah  
I dont need to listen to the list of things I should do  
I wont try, no I wont try, yeah yeah Who are you to tell me  
That Im less than what I should be?  
Who are you? Who are you?  
Yeah, yeah  
I dont need to listen to the list of things I should do  
I wont try, no I wont cry no no
