

# Turn Up The Music

## Lemonade Mouth

Na, na, na, na, na, na, na  
Take a look around  
Who would have thought we'd all be here?  
So let's mess around  
'Cause the future is unclear  
We got nothin' better to do  
We're just tryin' to get through  
Can you hear me?  
Can you hear me? Yeah  
Let the music groove you  
Let the melody move you  
Feel the beat and just let go  
Get the rhythm into your soul  
Let the music take you  
Anywhere it wants to  
When we're stuck and can't get free  
No matter what, we'll still be singing  
Come on, come on, turn up the music  
It's all we got, we're gonna use it  
Come on, come on, turn up the music  
Yeah  
All we have is now  
Let's make the most of this  
Come on, break it out  
So everyone can hear it  
They don't have to understand  
But we'll make 'em if we can  
Do you hear me?  
Are you with me? Yeah  
Let the music groove you  
Let the melody move you  
Feel the beat and just let go  
Get the rhythm into your soul  
Let the music take you  
Anywhere it wants to  
When we're stuck and can't get free  
No matter what, we'll still be singing  
Come on, come on, turn up the music  
It's all we got, we're gonna use it

Come on, come on, turn up the music  
Yeah  
Come on, come on, turn up the music  
It's all we got, we're gonna use it  
Come on, come on, turn up the music  
Turn up the music  
Let the music groove you  
Let the melody move you  
Feel the beat and just let go  
Get the rhythm into your soul  
Let the music take you  
Anywhere it wants to  
When we're stuck and can't get free  
No matter what, we'll still be singing  
Come on, come on, turn up the music  
It's all we got, we're gonna use it  
Feel the beat and just let go  
Get the rhythm into your soul  
Let the music take you  
Anywhere it wants to  
Come on, come on, turn up the music  
Yeah
