

Blue (Bird Shake Mix)

A Perfect Circle

I didn't want to know
I just didn't want to know
Best to keep things in the shallow end
'Cause I never quite learned how to swim I just didn't want to know
Didn't want
Didn't want
Didn't want
Didn't want Close my eyes just to look at you
Taken by the seamless vision
I close my eyes
Ignore the smoke
Ignore the smoke
Ignore the smoke Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
While I just sit and stare at you Because I don't want to know I didn't want to know
I just didn't want to know
I just didn't want Mistook their nods for an approval
Just ignore the smoke and smile Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
Such a perfect color for your eyes
Call it aftermath, she's turning blue
Such a lovely color for you
Call it aftermath, she's turning blue
While I just sit and stare at you I don't want to know
