I'm No Stranger To The Rain

Keith Whitley

I'm no stranger to the rain, I'm a friend of thunder
Friend, is it any wonder lightning strikes me
I've fought with the devil, got down on his level
But I never gave in, so he gave up on me
I'm no stranger to the rain, I can spot bad weather
And I'm good at finding shelter in a downpour
I've been sacrificed by brothers, crucified by lovers
But through it all, I withstood the pain
I'm no stranger to the rain
But when I get that foggy feeling, when I'm feeling down
If I don't keep my head up, I may drown
But it's hard to keep believing I'll even come out even
While the rain beats your hope in the ground
And tonight it's really coming down
I'm no stranger to the rain but there'll always be tomorrow
And I'll beg, steal or borrow a little sunshine
And I'll put this cloud behind me that's how the man designed me
To ride the wind and dance in a hurricane
I'm no stranger to the rain
Oh, no, I'm no stranger to the rain
I'm no stranger to the rain, I'm a friend of thunder
Friend, is it any wonder lightning strikes me
But I'll put this cloud behind me that's how the man designed me
To ride the wind and dance in a hurricane
I'm no stranger to the rain
Oh, no, I'm no stranger to the rain
