

Lay Down Stay Down

Whitesnake

I don't care if my lady's gone
As long as you give me just what I want
I've been losin' my direction,
Got to find a new connection
You have wasted the love I tasted,
Now I'm really gettin' hungry more and more
Been a long time, had a bad sign
Tell me what am I fighting for?
Let me know you feel it,
You know I really need it
Keep on pushin' for more,
Lay down, stay down
I got something to find,
There's one thing I really need
I'm gonna tell you right now,
Lay down, stay down
Lookin' for trouble, I guess that's right
When I was young I was taught to fight
It's been long gone since I had known,
Now I'm headin' for some more
Let me know you feel it,
You know I really need it
Keep on pushin' for more,
Lay down, stay down
I got something to find,
There's one thing I really need
I'm gonna tell you right now,
Lay down, stay down
Let me know you feel it,
You know I really need it
Keep on pushin' for more,
Lay down, stay down
I got something to find,
There's one thing I really need
I'm gonna tell you right now,
Lay down, stay down
