

# Numb

## Cassie

I make music to numb your brain  
I make music to numb your brain  
(Maybach music)  
(Hahaha)  
R-r-r-ride the wave  
New young mu love the beat and the Vocs  
Breezy tonic, fresh like rain  
My beat man's cool, he's a freakiest box  
Being a fox and you know my coat rocks and you know my chain  
And that's how you know I've been hunting the game  
Bang bang and I hit it with impeccable aim  
Bang bang and I blow it up, they don't know what's up  
If they think for a second that I do it for the fame 'cause  
I make music to numb your brain  
(Numb numb numb) 4x's

Rick Ross:

Bottle after bottle, I'm balling like Robert Griffin  
Never made love, I had to come from a distance  
Said I was a maison, Martin Margiela  
Triple beam, hustling, that's full of cheddar  
Yellow brick road, I'm told it's just a cake walk  
Now it's fill up, lem on them, no more 8-balls  
Un-cut my love that's all thug  
Call her different names in the middle of the plug  
Went on world tours, paid in all cash  
Top floor views, my wall is all glass  
All paid dues, but normally fall fast  
Same b? - you sh?ing on the only thing that'll last  
I'm tryna see a hundred of 'em  
Kobe Bryant money, n-gga u aint gotta love 'em  
Swish, new rims on a 6  
Tell me that you numb if you not feelin' this, Rick  
(Maybach music)

Run with the wave, you ride it  
R-r-r-ride the wave  
R-r-r-ride the wave  
If you insane when's it's late in the night  
You can smoke one, pop one, close your eyes

You can say this in your mind  
And I say it all the time  
I'm the same, insane  
It's a damn good time  
It's a damn good time  
I'm just saying it's a damn good time  
In-vi-gorating, impact ya like ice  
Beep, pulsating, your heart skips twice  
On the bass drum, and them pumps so nice  
Heart skips twice, and them pumps so nice  
On the bass drum, pumps so nice  
Heart ski-i-i-i-i, ride the wave  
I make music to numb your brain  
(Numb numb numb) 4xs  
It's a damn good time  
I'm just sayin', it's a damn good time  
When I make the wave (the wave, the wave)  
R-r-r-r  
When I make the wave  
R-r-r-r-ride the wave  
When I make the wave (the wave, the wave)  
I make music to numb your brain  
(Numb numb numb) 2xs  
R-r-r-r-ride  
R-r-r-r-r  
R-r-r-r-r, you ride it
