

# Lose It All

## A Perfect Murder

Advisory - the following lyrics contain explicit language:

My wounds are bleeding my hate for you  
I'm sick of your fucking plastic smile As I bleed you dry  
You lose your shallow eyes  
As I bleed you dry  
You lose that fakes ass smile  
Lose it all I've suffered for the last time  
Now you're destined to burn in the flames of hell  
Condemned to burn in the flames of hell My hate is killing you piece by piece  
The death of your fucking world is coming  
Prepare to meet your destiny
