

# Avalanche Aminos

## Guided By Voices

Give him hope  
Give him progress  
Give him timeSell him communion  
Dream angels telepathy  
It's an item  
Of appropriate backing  
Regardless of enemiesThings are fine beneath your zodiac sign  
The dancing monsters  
Have all gone home to bed  
To find their secret hideawaysIf this is the reason  
That I have no recall  
Each man has his fuss  
It's not a thing  
You think you can run  
But you know you must fall  
Ever spiraling down  
Afraid forever
