

# I'm a Little Mixed Up

[Diana Krall](#)

You said you love me never said goodbye  
But I know that just was a lie  
I'm a little mixed up, mixed up about you  
I'm just a little mixed up and I don't know what to do Yeah you said you love me gave me stars above  
I've had your baby I had all your love  
I'm a little mixed up, mixed up about you  
I'm just a little mixed up and I don't know what to do We used to walk and talk darling each other sing  
But I know now you don't mean a thing  
I'm a little mixed up, mixed up about you  
I'm just a little mixed up and I don't know what to do I'm just a mixed up, mixed up, mixed up fool  
Mixed up all 'cause of you  
I'm a little mixed up, mixed up about you  
I'm just a little mixed up and I don't know what to do Now you listen here baby what I have to say  
If you don't want me I'll be on my way  
I'm a little mixed up, mixed up about you  
I'm just a little mixed up and I don't know what to do And now you listen here baby won't you come on home  
I'm sitting here crying and I'm all alone  
I'm a little mixed up, mixed up about you  
I'm just a little mixed up and I don't know what to do
