## Death From Above 1979

Sexy girl meet me in the bathroom  
Sexy girl call me on the phone  
Woman friend take me to your bedroom  
Let me show how I'm full grown  
Sexy woman call me to your office  
Sexy woman meet me after work  
I wanna show you how I handle business  
I wanna show you how the mail-boy flirts  
My man wants to buy you something  
He wants to take you out for dinner and dancing  
My friend wants to take you out then home  
Then home alone
