

River

Bishop

Like a river
Like a river
Like a river
Like a river
Like a river
Like a riverHow do you fall in love?
Harder than a bullet could hit ya?
How do you fall apart?
Faster than a hand to the trigger?
Don't you say, don't say, don't you say it,
Don't say it, one breathe it will just pay it
So shut your mouth
And run me like a riverShut your mouth
Baby, stand and deliver
Holding hands will make me a sinner
Like a river
Like a river
Shut your mouth
And run me like a river
Drop this low till the bass start to shiver
One last breathe till the tears stars to whither
Like a river
Like a river
Shut your mouth
And run me like a river!Tales of an endless ???
Cursed is the fool who's willing
Can't change the way we are
One keeps away from killing
Don't you say, don't you say it
Don't say, don't say it
One breathe it will just pay it
So shut your mouth
And run me like a riverShut your mouth
Baby, stand and deliver
Holding hands will make me a sinner
Like a river
Like a river
Shut your mouth,
And run me like a river

Drop this low till the bass start to shiver
One last breathe till the tears stars to whither
Like a river
Like a river
Shut your mouth,
And run me like a river! Like a river
Like a river
Like a river
Like a river
Like a river
Like a river
Shut your mouth,
And run me like a river! Hey ! Ooh oh oh
Hey ! Ooh oh oh
Like a river!
Ooh oh oh
Ooh oh oh
Like a river! Shut your mouth
Baby, stand and deliver
Holding hands will make me a sinner
Like a river
Like a river
Shut your mouth,
And run me like a river
Drop this low till the bass start to shiver
One last breathe till the tears stars to whither
Like a river
Like a river
Shut your mouth,
And run me like a river!
