

On Tuesday

Men Without Hats

On Tuesday, you came in from the storm
On Tuesday, you came and made me warm
On TuesdayOn Tuesday, you made me fly
Much higher than before
On Tuesday, you made me cry
And made me smile for more
'Cause, love is something I adore
On TuesdayOn Tuesday, you saved my life
I was nothing but a wall
On Tuesday you made me high
I was flying on the floor
'Cause, love is something I adore
On TuesdayIt was only make believe
Then along came Tuesday
Changed everything
On TuesdayOn Tuesday, you wave goodbye
You step into the storm
On Tuesday, you save my life
A smile will keep me warmOn Tuesday, you made me cry
Like a child being born
On Tuesday, you made me high
I'll be flying ever more
'Cause, love is something I adore
On TuesdayIt was only make believe
Then along came Tuesday
Changed everything
On TuesdayOn Tuesday
On Tuesday
On Tuesday

...
