On Tuesday

Men Without Hats

On Tuesday, you came in from the storm On Tuesday, you came and made me warm On TuesdayOn Tuesday, you made me fly Much higher than before On Tuesday, you made me cry And made me smile for more 'Cause, love is something I adore On Tuesday On Tuesday, you saved my life I was nothing but a wall On Tuesday you made me high I was flying on the floor 'Cause, love is something I adore On TuesdayIt was only make believe Then along came Tuesday Changed everything On TuesdayOn Tuesday, you wave goodbye You step into the storm On Tuesday, you save my life A smile will keep me warmOn Tuesday, you made me cry Like a child being born On Tuesday, you made me high I'll be flying ever more 'Cause, love is something I adore On TuesdayIt was only make believe Then along came Tuesday Changed everything On TuesdayOn Tuesday On Tuesday On Tuesday
