Never

The Roc Project

(I'll never.....)
(I can't be with you)
I can't be with you again
Don't remind me of the good times that we had
Learn a lot from us instead
I never want these feelings to ever come again

[Chorus]
You'll never here me crying
You'll never see me trying
To love you once again
Your love is so past tense

Please don't tell me that you've changed
Don't want to here on how you've lost your evil ways
The one who's changed this time is me
And I won't go back to feeling helpless and deceived

[Chorus]
You'll never here me crying
You'll never see me trying
To love you once again
Your love is so past tense
You'll never here me crying
You'll never see me trying
To love you once again
Your love is so past tense
Your love
Your love

To think you had me fooled every now and then
You had me believing that I was the reason that you left
But I won't fall back in love with you again
I don't even want to be
(dont even want to be)
Your friend
Oh no no

[Chorus]
You'll never here me crying

You'll never see me trying
To love you once again
Your love is so past tense
You'll never here me crying
You'll never see me trying
To love you once again
Your love is so past tense

(so past tense)
(your love is so past tense)
