

The Fusion (feat. Denzel Curry)

Allan Kingdom

You say that you 'bout that
But I highly doubt that
You say I been down bad
I just had to bounce back
You say that you 'bout that
But I highly doubt that
I be off the loud pack
I be off the bounce back
You say that you 'bout that
But I highly doubt that
You say I been down bad
I just had to bounce back
You say that you 'bout that
But I highly doubt that
I be off the loud pack
I be off the bounce back
It's a little confused, huh
When a nigga lose her and get a new one
I'm winning, I was feeling like a loser
Like Jimmy, McIntosh is a computer
I hope I'm just a regular dude
Martin Lawrence with a little Martin Luther
Fresh prince with a little more Kunta
Get bent with a nigga with a future
I try-y-y
To hi-i-ide
The ti-i-imies
I've cri-i-ied
I survi-i-ived
All the hype and all the rumors
I'm David, you Goliath with a few guns
If you thinking you a giant nigga prove some', nah
Hit 'em with the fusion, nah
Hit 'em with the fusion, nah, damn
Hit 'em with the fusion, nah
Hit 'em with the fusion, nah, damn
Hit 'em with the fusion, nah
Hit 'em with the fusion, nah, damn
Hit 'em with the fusion, nah
Hit 'em with the fusion, nah, damn
Hit 'em with the fusion, nah
Hit 'em with the fusion, nah, damn
You say that you 'bout that

But I highly doubt that
You say I been down bad
I just had to bounce back
You say that you 'bout that
But I highly doubt that
I be off the loud pack

I be off the bounce back You say that you 'bout that

But I highly doubt that
You say I been down bad
I just had to bounce back
You say that you 'bout that
But I highly doubt that
I be off the loud pack

I be off the bounce back Hit 'em with the fusion, nah (bounce back)

Hit 'em with the fusion, nah (bounce back) Hit with the fusions, I'm rolling up mixed

You could say that we blending
You Derek Jeter but I'm Sammy Sosa

We mix 'em together, we sending
Hits out on the regular, crashing the nebula

If it returns it's a comet
It's catastrophic

Put it together, now we atomic

Spread through the air like bubonic

Juicin', abusin', the greatest influence

The only ruin that was made by the fusion

Initially it is an illest illusion

Conclusion that you will die in the confusion

Anonymous and unknown, grinding 'til the sun gone

Mama gettin' worried, shit she telling me to come home

I'm a road runner but I can't afford to run home

Whip like coyotes, we turn into John Doe You say that you 'bout that

But I highly doubt that
You say I been down bad
I just had to bounce back
You say that you 'bout that
But I highly doubt that
I be off the loud pack

I be off the bounce back You say that you 'bout that

But I highly doubt that
You say I been down bad
I just had to bounce back
You say that you 'bout that
But I highly doubt that
I be off the loud pack
I be off the bounce back
