Ball out of control, I got endo dub sacks
How you love dat?
I ain't the Hot Boys

If I'm in the club you'll see me pimpin sluts
Dats what I do, nigga all the time
Get rotation on 97 point 9, dats The Box
Nigga got a TV sitcom on Fox
Used to be on blocks slangin rocks
Now I'm changin dots, in my drop top Prowler
Go to court throw away the case I got a Prowler
A caller, nigga Caller I.D., a balla I be
She wanna fuck? I'm gonna call her and see
Take dat ho to Motel 6 and goto Tweeties
Pour a deuce in a can, sold a four in Tahiti
Now I'm leanin, nigga I'm in a green Beamer
Super duper fly like I'm Missy Misdemeanor
I'm Lil Flip, nigga I know you know me
Baguettes and 30 pointers all on my Role(x)
You might see me in an Expedition
With a sign on da back that says Let's Go Fishin

I'm a balla, nigga I told you that, If I ain't ridin green
then I'm rollin 'lac, I'm from the Clover, I'm a soldier
I write rhymes in my folder, hell ya I got more crystals than Folgers
Dats coffee, ho's wanna toss me, get off me
'cause I be ballin out of control, ho's they stalk me
From your walkie, my Nextel, inhale, exhale
Half of my niggaz locked up in jail
But I'm still on da block puttin it down
Nigga when I smile, bling, Platinum puttin- you got a frown
You be mad, 'cause you see me in a drop top Jag
50g's for a car is not that bad, I can do that
If it's too fast I can Screw that
Get the brand new drop, Royal Blue dat
Now I'm cruisin, nigga-niggaz I be bruise
Gettin all them mad, 'cause at the club I be choosin
I like yellow bones, talk on Prime Co telephones
Got ho's from Hiram Clark to Yellow Stone

We wearin Platinum Fubu, ya'll still wear Fil-Hilfiger
I almost fucked up but nigga I'm the King
I can freestyle all night until the door bell ring
And all I do is ride on chrome, and all I got is DVDz inside my home
I got a jacuzzi, I might watch Scary Movie
Hell ya I get head from yo mamma every Tuesday
This Lil' Flip, I bet you know that, show that
Hell ya you owe me some money, nigga you owe that
So pay me, the radio gonna play me
Look at my yard I got more toys than K-B
Who I am? da Leprechaun Freestyle King

Now I'm Platinum, nigga got a nigga name Crime
Open up my mouth, my piece shine, but Johnny got me blindin
Y'all can just parallel park
When I open up my mouth it farewell to the dark
I sip drank, flip tanks, sip eighths

Nigga I'm gonna be the witch and you can ride my broom
Then you gone, I freestyle, I'm off da dome
