

Rocks and Trees

Arrogant Worms

My country's bigger than most
And if asked I boast
'Cause I'm really proud
So I shout it loud
Though our numbers are few
We will welcome you Although we don't have history
Gold medal winning teams
Heroes or prisoners
World famous volcanoes
Still what we've got's glorious 'Cause we've got rocks and trees
And trees and rocks, and rocks and trees
And trees and rocks, and rocks and trees
And trees and rocks, and rocks and trees
And trees and rocks, and water All right, everyone
We've got rocks and trees
And trees and rocks, and rocks and trees
And trees and rocks, and rocks and trees
And trees and rocks, and rocks and trees
And trees and rocks, and water
