

# Undo

## The 1975

Twist around the lounge  
Sun drowns the house  
Stick another pill in my head and go to bed  
We're not doing it again so leave it

I didn't even see you when I liked you  
Now I ain't got no time  
Girl I wanna see you undo it  
I wanna see you but you're not mine

Bombs have run out  
Call round the town  
I could hear you giving her head she said  
You think we're doing it again keep dreaming

I didn't even see you when I liked you  
Now I ain't got no time  
Girl I wanna see you undo it  
I wanna see you but you're not mine  
[x4]

I wanna see you but you're not mine
