Raven-symone

Sitting in the corner of a room, thinkin' of you
Wonderin' what you're doing now we're apart
No use cryin', tears can't reach you now
Memories, fulfilling dreams
You used to be so good to me, yeah
I can't live without you
I'd like to be, yeah, in your fantasy, baby
Part of you is me
Walking across the clouds, hope I see you there
Be it day or nighttime, I don't really care
Hope you see me too, before I meet my end
Somethin' stole your life away, I know I can't pretend
You used to be so good to me, baby
I can't live without you
I'd like to be in your fantasy, baby
Part of you is me
