

Leave My Girl Alone

Stevie Ray Vaughan & Double Trouble

You better leave
You better leave
My little girl alone You better leave
You better leave
My little girl alone Lord before I get evil man
And I go and do
Something wrong You call my house just yesterday
I picked up the extension
And I heard every word you said
Why dont you just go on man
And leave my little girl alone Lord before I get evil man
And I go and do
Something wrong You call my house
All hours of the night
Let me tell you mister
Thats a sure, sure way to start a fight
Why dont you just go on
Man and leave my little girl alone Lord before I get evil man
And Im gonna do
Something wrong
