

# Set Me Free

[Elkie Brooks](#)

Here I am ready or not  
Let me see what have you got  
I believe it's gonna be the blues I can drink, maybe I should  
But I know it don't do me no good  
Stirring up the demon side of me  
I'll see how I feel Maybe I'll walk into town  
So I can check out who's around  
Maybe I already know, I don't want to go Set me free (behind the wheel)  
This old town is history  
Set me free, I've had enough (say goodbye)  
You won't see me for dust  
I have tried, don't get me wrong  
I've been here since I was young  
All I know I've been here too long I've got friends, some are around  
Give them cause they can be found  
If you've got nothing to do they will all do it with you Maybe I'll walk into town  
So I can check out who's around  
Maybe I already know, I don't want to go Set me free, behind the wheel  
Set me free, I've had enough (say goodbye)  
Set me free, behind the wheel  
Set me free, I've had enough (say goodbye)  
You won't see me for dust  
Set me free, behind the wheel  
Set me free, I've had enough (say goodbye)  
You won't see me for dust, no, no, no  
I said you won't see me  
This old town is history  
No, no, no, no, no  
I said you won't see me
