

Help Me Make It Through The Night

Steve Holy

Take the ribbon from your hair,
Shake it loose and let it fall,
Laying soft against my skin,
Like the shadows on the wall.

Come and lay down by my side
Till the early morning light
All I'm takin' is your time
Help me make it through the night

I don't care what's right or wrong,
And I won't try to understand.
Let the devil take tomorrow
Lord tonight I need a friend.

Yesterday is dead and gone
And tomorrow is out of sight
It's so sad to be alone.
Help me make it through the night.

I don't care what's right or wrong,
And I won't try to understand.
Let the devil take tomorrow
Lord tonight I need a friend.

Yesterday is dead and gone
And tomorrow is out of sight
And it's so sad to be alone.
Help me make it through the night.

And I don't wanna be alone.
Help me make it through the night.
