

# As Daylight Dies

## Killswitch Engage

Slowly we watch the degradation of the civilization  
The rise and fall of all we are  
Stands here before us This place is evil  
We stare in insult  
This world is vile  
We are the answer How long until we die?  
Die from the inside out  
How much is enough for us to see the light?  
How much blood must be shed? Come past the lies  
We cannot be so blind  
Hear their cries  
The wait 'til daylight dies  
Daylight dies We all have blood on our hands  
How can we (how can we) ignore the sound? Come past the lies  
We cannot be so blind  
Hear their cries  
The wait 'til daylight dies The cost of one life  
The price of ones soul  
Is too much to lose No more broken promises  
The shattered hearts will heal  
No more broken promises  
No more (no more) Come past the lies  
We cannot be so blind  
Hear their cries  
The wait 'til daylight dies How long until it dies?  
How long?  
How long?  
How long until it dies  
How long?  
How long?
