Send Me Down To Tucson (1979)
No one wants to go down to Tucson in the summer
So this time the boss chose me
I've been sort of restless yes he thought it might help if
I got away from my wife and familyThere's been no other woman since the mother of my children
And in each and every way she's a lady
Now there's one that I'll remember a sultry night we spent together
And she satisfied the love inside of me
Go on and send me down to Tucson and I'll get the job done
And call up the one whose love is free
She may be easy and I love my lady
But the lady don't satisfy the love inside of meI know the lady's not to blame cause they raised her prime and proper
While another takes her pleasures where she can
The one in Tucson she don't hide it and when she gets excited
She makes you feel your every inch a manBut if I could have a wish that I knew would be granted
Don't you know that one wish would be
Just to lay beside my lady and she'd be the kind of lady
To satisfy the love inside of me
Go on and send me down to Tucson and I'll get the job done
And call up the one whose love is free
She may be easy and I love my lady
But the lady don't satisfy the love inside of meGo on and send me down to Tucson and I'll get the job done
Go on and send me down to Tucson and I'll get the job done
