

# Billie Jean

Chris Cornell

She was more like a beauty queen from a movie screen  
Said, "Don't mind, but what do you mean  
I am the one who would dance on the floor in the round?  
She says I am the one who would dance on the floor in the round  
She said her name was Billie Jean, then she  
caused a scene  
Every head turned with eyes that dreamed of being the one  
Who would dance on the floor in the round  
People always told me, Be careful what you do  
Don't go around breaking young girls' hearts  
Mother always told me, Be careful who you love  
Careful what you do before the lie becomes the truth  
Billie Jean is not my lover  
She's just a girl who says that I am the one  
But the kid is not my son  
She says I am the one  
But the kid is not my son  
For forty days and forty nights the law was on her side  
Who could stand when she's in demand, her schemes and her plans  
'Cause we danced on the floor in the round  
So take my strong advice and remember to always think twice  
Do think twice  
She told my baby that we danced till three and she looked at me  
Showed a photo of my baby cry, his eyes were like mine  
'Cause we danced on the floor in the round  
People always told me, Be careful what you do  
Don't go around breaking young girls' hearts  
Then she stood right by me, the smell of sweet perfume  
This happened much too soon but she called me to her room  
Billie Jean is not my lover  
She's just a girl who says that I am the one  
But the kid is not my son  
She says I am the one  
But the kid is not my son  
Billie Jean is not my lover  
She's just a girl who says that I am the one  
But the kid is not my son  
She says I am the one  
But the kid is not my son  
So take my strong advice and remember to always think twice  
Do think twice
