

# Meltdown

## Justin Roberts

Brother and me  
Were in the living room,  
Busy coloring chairs that we lay on.  
No signs of gloom  
A quiet affair,  
That is, until I borrowed his crayon  
I cannot lie,  
It's the one he loves the best, and  
I don't know why  
I put him to the test, but I  
Had no idea he'd get this distressed!  
Now he's havin' a meltdown!  
(Meltdown, meltdown, meltdown, melt--)  
Didn't know that he felt down  
(Felt down, felt down, felt down, felt--)  
A ma-ma-ma-ma-meltdown!  
(Meltdown, meltdown, meltdown, melt--)  
Then Mom walked in  
And stared at us in awe--  
Couldn't quite understand what the deal was  
Or what she saw  
I took my brother's hand,  
Gave him his crayon, and said sorry, 'cause  
I was aware  
That we were in a bind, 'cause  
Mom's antique chairs  
Were covered in colored lines, and I  
Guess she's not a fan of those rainbow designs  
'Cause she's havin' a meltdown!  
(Meltdown, meltdown, meltdown, melt--)  
Didn't know that she felt down  
(Felt down, felt down, felt down, felt--)  
A ma-ma-ma-ma-meltdown!  
(Meltdown, meltdown, meltdown, melt--)  
Yeah, she's having an  
M-E-L-T-D-O-W-N,  
D-O-W-N, down!  
I'd stop the world,  
And wait for you to--

Ketch-up!  
But it turns and turns  
And you must be heard, you--  
Mustard!  
Mustard!  
Must! Be! Heard!  
'Cause you're havin' a meltdown!  
(Meltdown, meltdown, meltdown, melt--)  
Didn't know that you felt down!  
(Felt down, felt down, felt down, felt--)  
We're all havin' a meltdown!  
(Meltdown, meltdown, meltdown, melt--)  
Yeah, we're having an  
M-E-L-T-D-O-W-N,  
D-O-W-N, down...  
And I know that this might sound  
Outrageous, outrageous--  
But a meltdown is  
Contagious, contagious, yeah!  
(And I know that this might sound)  
(Meltdown, meltdown)  
Mom and me were havin' an  
(Outrageous, outrageous)  
(Meltdown, melt--)  
M-E-L-T-D-- down!  
(But a meltdown is)  
(Felt down, felt down)  
Mom and me were havin' an  
(Contagious, contagious, yeah)  
(Felt down, felt--)  
M-E-L-T-D-- down!  
(I know that this might sound)  
(Meltdown, meltdown)  
Mom and me were havin' an  
(Outrageous, outrageous)  
(Meltdown, melt--)  
M-E-L-T-D-- down!  
(But a meltdown is)  
(Felt down, felt down)  
Mom and me were havin' an  
(Contagious, contagious, yeah)  
(Felt down, felt--)  
M-E-L-T-D-- down!  
And I'd stop the world to meltdown with you!
