

# Alien 8

## Lagwagon

Would it make you feel much better  
If it was you against the world  
If you were an alien  
If it were conspiracy  
and would it hurt to live in comfort  
If you found someone to trust  
If you knew that you were with us  
If we shared a common goal  
But you will isolate, alienate  
No one can appreciate  
the poor miss understood  
Can you see that I don't care anymore  
Do you ever stop to listen  
Are you a martyr for your pride  
Does it makes you fell much better  
When you are an alien?
