

# Cold Cold Heart

Ernest Tubb

I tried so hard my dear to show that you're my every dream  
Yet you're afraid each thing I do is just some evil scheme  
A mem'ry from your lonesome past keeps us so far apart  
Why can't I free your debtful mind and melt your cold cold heart  
Another love before my time made your heart  
sad and blue

And so my heart is paying now for things I didn't do  
In anger unkind words are said that make the teardrops start  
Why can't I free your debtful mind and melt your cold cold heart  
You'll never know how much it hurts to see  
you sit and cry

You know you need and want my love yet you're afraid to try  
Why do you run and hide from life to try it just ain't smart  
Why can't I free your debtful mind and melt your cold cold heart  
There was a time when I believed that you  
belonged to me

But now I know your heart is shackled to a memory  
The more I learn to care for you the more we drift apart  
Why can't I free your debtful mind and melt your cold cold heart
