Tush

Joan Jett

I've been up, I've been down
Take my word been aroundI ain't asking for much
I said, "Lord take me downtown
I'm just looking for some tush"I've been bad, I've been good
Dallas Texas, HollywoodI ain't asking for much
I said, "Lord take me downtown
I'm just looking for some tush" heyTake me back way back home
Not by myself not aloneI ain't asking for much
I said, "Lord take me downtown
I'm just looking for some tush"I said, "Lord take me downtown
I'm just looking for some tush"I said, "Lord take me downtown
I'm just looking for some"
