And my chances of survival are none to slim

Fuckin farmers daughter in the back of Toyotas
Poppin so many pills that I piss codeine
My system ain't been clean since the age of 14
Hood rats fat back
Comin from nothin we livin the good life
Stay high just to make it but we goin be alright
Don't worry bout me cause bitch I'm free
And I'm gone
Keep shit wicked keep killin some bitches
