

Joe Rey

Fountains of Wayne

Joe Rey, he came from Spain
Across the ocean in frozen rain
And he loves point, point, pointing the finger Joe Rey is stoned all day
With two hairdressers in a Chevrolet
For a while I think Joe Rey's gonna linger Joe Rey is not so pretty
I can't understand why he's so in demand
He stays out late in the city sometimes, sometimes Joe Rey smokes at three
Barks like a pigeon and watches TV
He's cool, cool, cool, cooler than I am He knows what I don't know
Got seventeen different words for snow that he signs
Signs to a deaf girl named Diane Joe Rey is not so pretty
I can't understand why he's so in demand
He stays out late in the city, sometimes, sometimes Joe Rey is not so pretty
I can't understand why he's so in demand
He stays out late in the city sometimes, sometimes
Sometimes, sometimes Joe Rey, he came from Spain
Across the ocean in frozen rain
And he loves point, point, pointing the finger Joe Rey loves point, point, pointing the finger
Joe Rey loves point, point, pointing the finger
Joe Rey loves point, point, pointing the finger
