

God Save the Queen

Sex Pistols

God save the Queen
A fascist regime
They made you a moron
Potential H-bomb God save the Queen
She ain't no human being
There is no future
In England's dreaming Don't be told about what you want
Don't be told about what you need
No future, no future, no future for you God save the Queen
We mean it, man
We love our Queen
God saves God save the Queen
Tourists are money
But our figurehead
Is not what she seems God save history
God save your mad parade
Oh Lord, have mercy!
All crimes are paid When there's no future, how can there be sin?
We're the flowers in the dustbin
We're the poison in the human machine
We're the future, we're the future God save the Queen
We mean it, man
We love our Queen
God saves God save the Queen
We mean it, man
We love our Queen
God saves No future, no future
No future, no future
No future, no future
No future, no future No future, no future
No future, no future
No future for you
