

# Broken Eyes

## Two Gallants

Hey there girl with the broken eyes, ain't my love been true  
Ain't no need to act surprised when it comes back to you  
When it comes back to youThe wind blows high and the wind blows low, as long as I have known  
Everything that blows away, soon is gonna come back home  
Soon is gonna come back homeStanding there in your raven hair, acting like you don't know  
Lips that launched a thousand ships, that's where my money goes  
Where my money goesI know they say I'll rue the day, I gave you a peice of my heart  
It's do re mi, and dust to dust, things all fall apart  
Things all fall apartHey there girl with the broken eyes, ain't my love been true  
Ain't no need to act surprised when it comes back to you  
When it comes back to youThe wind blows high and the wind blows low, as long as I have known  
Everything that blows away, soon is gonna come back home  
Soon is gonna come back home  
Soon is gonna come back home  
Soon is gonna come back home
