Slow Moves

JosÃ‰ GonzÃ•lez

A compromise between honesty and lies
To lead me past, their sly disguise
My moves are slow but soon they'll know
Behind the scenes they grow their schemes
Hiding intentions, revealing only fractions
Their moves are slow but soon you'll know
They'll keep on whispering their mantras
We'll keep on whispering our mantras
My moves are slow but soon they'll know
Their moves are slow but soon you'll know
