Metal & Dust (Lil Silva Remix)

London Grammar

And so, you built, a life, on trust
Though, it starts, with love and lust
And when, your house, begins, to rust
Oh it's just, metal and dustWe argue, we don't fight
We argue, we don't fightAnd all, foundation, that, we made
Built, to last, they disintegrate
And when, your house, begins to rust
Oh it's just, metal and dustWe argue, we don't fight
Stay awake 'til the middle of the night
Stay awake 'til the middle of the night
We argue, we don't fight
Stay awake 'til the middle of the night
Stay awake 'til the middle of the night (We don't argue)
We argue, we don't fight
Stay awake 'til the middle of the night
Stay awake 'til the middle of the night (We don't argue)
We argue, we don't fight
Stay awake 'til the middle of the night
Stay awake 'til the middle of the night
We don't argue
We don't argue
We don't argue
