Earth Boy

The Raymen

Earth boy dream of angel
Angel she be sweet
And make him have happy heart
In land of love
Angel dream of earth boy
Earth boy who'll be true
And love her till sun grow cold
In land of love
Angel walk on street
Earth boy walking too
All at once they meet
Oo-oo-oo dreams come true
Now that's part of story
Like two doves in land of love
We will always be
Happy angel is you
Happy earth boy is me
Angel walk on street
Earth boy walking too
All at once they meet
Oo-oo-oo dreams come true
Now that's part of story
Like two doves in land of love
We will always be
Happy angel is you
Happy earth boy is me
Earth boy dream of angel
Angel dream of earth boy
Earth boy dream of angel
Angel dream of earth boy
Earth boy dream of angel
