

Ejaculation Feast On a Baked Fetus

Cliteater

Night sets, psychos at the round table gather
Nicely baked fetus placed, spreading
A scent of shrivelled flesh and hot urine Ultimate form of freak cannibalism
Stiff genitals hanging over the unborn
Unborn
Jerking off orgy starts
Starts
In unity working towards the climaxe Collective ejaculation, deep moaning
Fetus now covered with protein sauce
Dinner is served and complete
Psycho cannibalism tull dawn
