## **Dance, Dance, Dance**

## **Zumba Fitness**

Get the party started from the left to the right

Move your body dance all night

Get the party started from the left to the right

Move your body dance all night

Get the party started from the left to the right

Move your body dance all night

Get the party started from the left to the right

Move your body dance all night

Oo-oo-oo-oo-ooh

Oo-oo-oo-oo-ooh

Oo-oo-oo-oo-ooh

C'mon and do it baby

Oo-oo-oo-oo-ooh

Oo-oo-oo-oo-ooh

On the dance floor boogie

On the dance floor boogie woogie

I know a place where the mood is just right

They've got the vibe and they're pumpin' it all night

When the heat is high and the lights are low

(High low)

And when you want it it's the only place you've gotta go

Just come on down to party town

And leave your reservations

At the bus stop baby

At the bus stop baby baby

Dance dance dance, c'mon and do it baby

Dance dance, shake it up shake it down

Dance dance dance, just keep it movin'

On the dance floor boogie, on the dance floor boogie woogie

Oo-oo-oo-oo-ooh

Oo-oo-oo-oo-ooh

(Ooh)

Oo-oo-oo-oo-ooh

Oo-oo-oo-oo-ooh

It's everywhere, it's in everything

We're gettin' down and the whole place is movin'

Feel the music pump hear the vinyl scream

(In)

Run to your mama if I scare you with my funky thing

Just come on down to party town
And leave your reservations
At the bus stop baby
At the bus stop baby, baby
Dance dance dance, c'mon and do it baby
Dance dance dance, shake it up shake it down
Dance dance dance, just keep it movin'
On the dance floor boogie, on the dance floor boogie woogie

Dance dance dance, c'mon and do it baby
Dance dance dance, shake it up shake it down
Dance dance dance, just keep it movin'
On the dance floor boogie, on the dance floor boogie woogie
Get the party started from the left to the right
Move your body dance all night
Get the party started from the left to the right
Move your body dance all night
Get the party started from the left to the right
Move your body dance all night
Get the party started from the left to the right
Move your body dance all night

Dance dance dance

Dance dance dance

Dance dance dance

Just keep it movin' on the dance floor

Boogie on the dance floor

Boogie woogie

Oo-oo-oo-oo-ooh

Oo-oo-oo-oo-ooh

On the dance floor boogie, on the dance floor boogie woogie

Dance dance dance, c'mon and do it baby

On the dance floor boogie, on the dance floor boogie woogie
