

Bark at the Moon (live)

Ozzy Osbourne

Screams break the silence
Waking from the dead of night
Vengeance is boiling
He's returned to kill the light
Then when he's found who he's looking for
Listen in awe and you'll hear him Bark at the moon Years spent in torment
Buried in a nameless grave
Now he has risen
Miracles would have to save
Those that the beast is looking for
Listen in awe and you'll hear him Bark at the moon Hey, bark at the moon They cursed and buried him Along
with shame
And thought his timeless soul had gone
In empty burning Hell-unholy one
But now he's returned to prove them wrong So wrong, uh yeah baby Howling in shadows
Living in a lunar spell
He finds his heaven
Spewing from the mouth of hell And when he finds who he's looking for
Listen in awe and you'll hear him
Bark at the moon
Yeah bark at the moon
Yeah bark at the moon
Bark at the moon
