

Last Man Standing

The Slow Show

Last man standing here
In his wedding gown,
He was awful proud
How could you be so cruel to call it off
This is loss, loss
As the tears fill up his eyes
He'll still love you when he dies
But he's getting older,
Getting older I see those tears in your eyes,
See those tears in your eyes,
See those tears in your eyes,
Oh boy don't cry
I see those tears in your eyes,
See those tears in your eyes,
See those tears in your eyes,
Oh boy don't cry He turns around to see the smiles in the room
Waiting for you
Nobody knew
She sits down on a bed in the room
Thinking of you
As the tears fill up his eyes
He'll still love you when he dies I see those tears in your eyes,
See those tears in your eyes,
See those tears in your eyes,
Oh boy don't cry
I see those tears in your eyes,
See those tears in your eyes,
See those tears in your eyes,
Oh boy don't cry
Oh boy don't cry
Oh boy don't cry
Oh boy don't cry
Boy don't cry Cuz you'll take it back in the morning
Cuz you'll take it back with the tears still in your eye
Cuz you'll take it back in the morning
Cuz you'll take it back with the tears still in your eye
