

# Go For It

## Die Happy

Wait 'till they're gone  
Before you are gonna start the game  
Make sure they're not coming back again  
Try to move noiseless  
If you can at all Wait 'till they're gone  
Before you dare at all  
Walk down to the entrance door  
Where it will all start  
If you really want You are so far  
You feel so confident  
But the running time is not your friend  
It runs against you  
Faster like it never did But you're so far  
There is no way to stop  
Your sign of the zodiac  
Gives you the power  
It gives you the power Go for it you have no reason to resign  
Go get it this is the great chance of your life  
Go for it there is no reason to be scared  
Go get it go get it now with your own hands You really dare  
You liked to taste the blood  
For the first time, now you won't stop anymore  
You are depending on it  
You overcame yourself The daring man  
There is no way to stop  
Your sign of the zodiac  
Gives you the power  
It gives you the power
