# Buried Alive (Live @ Electric Factory)

## Alter Bridge

I twist and turn in the darkest space
Can't find my worth as I numb the pain
Glass to the sky with a black tooth grin
This whiskey smile that takes me down againI'm cold and I'm so afraid
That I'm too weak and I can't changeI've been buried alive
And I don't want to be here anymore
Reached out a thousand times
For a hand to pull me from belowI've been buried alive
In a world of constant sorrow
Reached down tonight and set me free
Save tomorrowAnother shot slip into the haze
Another night soaked in my disgrace
So sooth the lie, I raise my glass and run
A wasted life, what have I become?I've been buried alive
And I don't want to be here anymore
Reached out a thousand times
For a hand to pull me from belowI've been buried alive
In a world of constant sorrow
Reached out tonight and set me free
Save tomorrowSave tomorrow
Save tomorrowLet me breathe again
And show me where I begin
To find a will to change
Before I lose everythingBefore I lose everythingI've been buried alive
And I don't want to be here anymore
Reached out a thousand times
For a hand to pull me from belowI've been buried alive
In a world of constant sorrow
Reached down tonight and set me free
And I will followI've been buried alive
I've been buried alive
I've been buried alive
I've been buried alive
