Can You Hear Me Call?

The Latency

You're selling out, I see it now,
But I have never seen you face.
It's a long way down, it's a long way down.
But will you ever save the day?I'm tired of interest,
I'm tired of failing,
I'm tired of you.
You don't want to do this,
You don't want to feel this.
You won't let me through.Tell me where we went wrong,
Show me where we belong.
'Cause I have looked deep inside of me,
And I cannot find a memory.
How did we end up hear,
Knowing nothing but fear?
Cause I have looked deep inside of me,
And I cannot find a memory.You're copping out, I see it now,
Because you're not sure if this is safe.
So hear me now, so hear me now.
And I'll show you, that you've lost the way.I'm tired of interest,
I'm tired of failing,
I'm tired of you.
You don't want to do this,
You don't want to feel this.
You won't let me through.Tell me where we went wrong,
Show me where we belong.
'Cause I have looked deep inside of me,
And I cannot find a memory.
How did we end up hear,
Knowing nothing but fear?
Cause I have looked deep inside of me,
And I cannot find a memory.Can you hear me, can you hear me, can you hear me call?
I won't take the, I won't take the, I won't take the fall.
Can you hear me, can you hear me, can you hear me call?
We won't take the, we won't take the, we won't take the fall.Tell me where we went wrong,
Show me where we belong.
'Cause I have looked deep inside of me,
And I cannot find a memory.
How did we end up hear,
Knowing nothing but fear?

Cause I have looked deep inside of me,
And I cannot find a memory.Tell me where we went wrong,
Show me where we belong.
'Cause I have looked deep inside of me,
And I cannot find a memory.
How did we end up hear,
Knowing nothing but fear?
'Cause I have looked deep inside of me,
And I cannot find a memory.'Cause I have looked deep inside of me,
And I cannot find a memory.Can you hear me call?
