

Bad Vibes

Despised Icon

Take a stand now
You give me bad vibes
You give me bad vibesI don't trust that smile
You give me bad vibes
Been onto you for a while
You give me bad vibes
Trying to steal the game
Yet you stick to the sidelines
Come on, make your move
You give me bad vibes
Don't stall, stand once and for all
Don't pretend we're brothers
Show your true colors
My faith in you has rusted
You simply can't be trusted
Stop thinking you're so discrete
Or I'll show my teeth
My faith in you has rusted
You simply can't be trusted
Don't stall, stand once and for allKeep on fronting, I've played this game
Talk up a storm but deep down
You're all the same
Lessons learned, bridges easily burned
Respect and loyalty must be earned
Don't pretend we're brothers
Show your true colors
My faith in you has rusted
You simply can't be trusted
Stop thinking you're so discrete
Or I'll show my teeth
My faith in you has rusted
You simply can't be trustedBe on your guard, the one who holds the cards
Never to be trusted
Time heals nothing
Never to be trusted
No more games
All these concealed intentions and disregard
Be on your guard
The one who holds the cards

Never to be trusted

Time heals nothing

Never to be trusted

No more gamesTake a stand now

You give me bad vibes

Spitting facts

Claiming it's all true

Drop the act

I can see right through youI don't trust that smile

You give me bad vibes

Been onto you for a while

You give me bad vibes

Try to steal the game

Yet you stick to the sidelines

Come on, make your move

You give me bad vibes

Bad vibes

Drop the act

I can see right through you

Don't stall, stand once and for allDon't pretend we're brothers
