

# Throw It Back

Jonh Hart

If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
    Throw it back, throw, throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
    Throw it back, throw, throw it back?  
    Throw it back, throw, throw it back  
    If I give it to you, you gotta throw it back  
Gimme the cheese and the keys to yo' Maybach  
    You wanna touch for free, I don't play dat  
And if your money ain't right, nigga stay back  
    You better think twice, I like pink ice  
    Louis Vuitton boots with the mink tights  
    I ain't no cheap, chick you gotta throw it back  
We gotta go to the mall boy and blow some stacks  
    And I ain't no gold digger  
    But you fin' to pay for this car note nigga  
    You gotta pay to play, everybody's ain't able  
    Damn, be a man, bring somethin' to the table  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
    Throw it back, throw, throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
    Throw it back, throw, throw it back?  
    Throw it back, throw, throw it back  
    Give it to me, let me see you drop it fast  
Girl we could go to Phipps pass and get to poppin' tags  
    Or we could ball through the mall, tear shoppin' bags  
And take you straight to the tail so I could chop that ass  
    Uh, you wanna ride, we could swerve in the Vette  
I'll fuck you from the back done pinched yo' nerve and yo' neck  
    That pussy so good you deserve you a check  
You want that ice on your hands with the birds 'round your neck  
    Uh, but I ain't no trickin' nigga  
    I'm a trap cook crack up in the kitchen nigga

But I will lay pipe 'til that coochie dead

Nigga squirtin' on curtains and Gucci spreads  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
Throw it back, throw, throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
Throw it back, throw, throw it back?  
Throw it back, throw, throw it back  
I need a, sugar daddy baller  
That go to Belle Harbor and tear the mall up  
Uh, I need a D to call up  
To break me off and tear these sugar walls up  
Heidi Floess is what they call her  
I'm on the private jet and I'm alcoholed up  
Miss Trina, a star is born  
Spoiled and rich, a ghetto Kelly Osbourne  
You know I'm in demand, you see me in Japan  
I'm leanin' on your man, my jeans worth a grand  
I'm still the baddest and you knowin' that  
And if I, give it to you would you throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
Throw it back, throw, throw it back?  
If I give it to you daddy would you throw it back?  
If I give it to you daddy would you throw it back  
Throw it back, throw, throw it back?  
Throw it back, throw, throw it back  
Give it to me  
Give it to me  
Give it to me  
Give it to me  
Give it to me  
Give it to me  
Give it to me  
Give it to me
