

# I Don't Wanna Stop

Ozzy Osbourne

I don't know what they're talking about  
I'm making my own decisions  
This thing that I found ain't gonna bring me down  
I'm like a junkie without an addiction Mama don't cry I just wanna stay high  
Like playing with danger or fear  
Everybody's walking but nobody's talking  
It looks a lot better from here All my life I've been over the top  
I don't know what I'm doing  
All I know is I don't wanna stop  
All fired up, I'm gonna go till I drop  
You're either in or in the way  
Don't make me, I don't wanna stop Why don't they ever listen to me?  
Is this a one way conversation?  
Nothing they say is gonna set me free  
Don't need no mental masturbation Too many religions for only one god  
I don't need another savior  
Don't try to change my mind, you know I'm one of a kind  
Ain't gonna change my bad behavior All my life I've been over the top  
I don't know what I'm doing  
All I know is I don't wanna stop  
All fired up, I'm gonna go till I drop  
You're either in or in the way  
Don't make me, I don't wanna stop All my life I've been over the top  
I don't know what I'm doing  
All I know is I don't wanna stop  
All fired up, I'm gonna go till I drop  
You're either in or in the way  
Don't make me, I don't wanna stop I don't wanna stop  
I don't wanna stop  
I don't wanna stop All my life I've been over the top  
I don't know what I'm doing  
All I know is I don't wanna stop  
All fired up, I'm gonna go till I drop  
You're either in or in the way  
Don't make me I don't wanna stop All my life I've been over the top  
I don't know what I'm doing  
All I know is I don't wanna stop  
All fired up, I'm gonna go till I drop  
You're either in or in the way

Don't make me I don't wanna stop
